

Reflexive pronouns (self-pronouns) and verbs (rückbezügliche Fürwörter und Verben)

- We use a reflexive pronoun when the object is the same person or thing as the subject
(Wir verwenden rückbezügliche Fürwörter, wenn das Objekt dieselbe Person oder Sache ist wie das Subjekt)

Singular: self	Plural: selves
I myself	we ourselves
you yourself	you yourselves
he/she/it himself / herself / itself	they themselves
For example: I make myself a cup of coffee every morning. (Ich mache mir jeden Morgen einen Kaffee.) Don't worry about us. We can take care of ourselves . (Sorge dich nicht um uns. Wir können auf uns selbst aufpassen.)	
<p>NOTE! Some verbs are reflexive in German, but NOT in English! (Bemerke! Einige Verben sind im Deutschen reflexive, aber nicht in Englisch)</p> <p>I'm looking forward to this evening. = Ich freue mich auf heute Abend. She always complains at work. = Bei der Arbeit beklagt sie sich ständig.</p> <p>Other verbs: apologize, argue, change, concentrate, feel, hide, hurry, imagine, meet, refer to, relax, remember, rely on, wonder, worry</p>	
<p>There is a difference between ourselves and each other : (Es gibt einen Unterschied zwischen uns und einander (uns))</p> <p>We got ourselves ready to go to the party. (to get yourself ready) (Wir machten uns fertig, um auf die Party zu gehen.)</p> <p>We saw each other yesterday at the meeting. (to see each other) (Wir sahen (einander) uns gestern auf dem Meeting/bei der Besprechung.)</p>
